

Area 1 Director's Report

Jim Karras, #43031

January 2012

The holiday season is behind us and I hope everyone had a joyous time during the season.

The board approved the first "non-virtual" non-geographic chapter of the VCCA in December. The Chevrolet H Model Register Chapter is now an official VCCA chapter, based in Hershey, PA. Long-time VCCA member Ray Moot is its first director. Upon the vote, VCCA President Don Williams explained to us that "*Model H cars are the 1914 - 1916 Baby Grand touring and Royal Mail roadster*". Don also told us that "*the group has elected to also include the earlier big 6 cylinder cars, of which only 2 still exist that we know of - Pinky Randall's 1914 Light 6, and the Sloan Museum's 1914 Classic Six*". I serve as the board representative for all VCCA non-geographic chapters and was honored to work with the group to complete the VCCA charter process. It was a pleasure working with Ray and I look forward to representing this new chapter on the VCCA board of directors.

Sabrina and I wish everyone a happy new year and we look forward 2012 and lots of tours, meets, and more!

If I can be of help, please give me a call at (714) 633-8210, send e-mail to JimKarras@aol.com or visit my website www.area1vcca.org. Until next month, drive safe and enjoy the ride! ~Jim
